DROMEX UTILITY PANTS

KH

CA

DW-UTI-PN-XX

Description

Dromex DW-UTI-PN are stylish utility cargo pants designed for user comfort, durability and functionality.

These hard-wearing pants are crafted from a blend of 65% Polyester, responsible for fabric sturdiness and 35% cotton, providing relaxed comfort suitable for wear both at work and casually.

Features:

- Multifunctional custom pockets (ruler/pen pocket, mobile phone pocket and cargo pocket).
- Reflective piping stripe on rear leg pockets, rear ankle and knee area for added visibility in dark environments.
- Hammer/tool loop.
- Seams are triple needle topstitched for added durability.
- Stress areas are bar tacked.
- Inner elasticated waist for optimum fit and flexibility with 7 belt loops.
- Reinforced canvas panels and a comfortable spacious crouch area allowing bending with ease and without discomfort.
- Available in 2 contrasting colours, Khaki and Carbon.

Special Instructions

None of the materials or processes used in the manufacture of these products are known to be harmful to the wearer.
The manufacturer has examined under the system for ensuring quality of production by means of monitoring and inspection.
These poly cotton garments are designed to accommodate the basic safety requirements and standards for Personal Protective Equipment.
Not for use against heat and flame hazards.
The information contained herein is intended to assist the wearer in the selection of personal protective equipment.
Actual conditions of use cannot be directly simulated in a test environment therefore it is the responsibility of the end user and not the manufacturer or supplier to determine the garment suitability for the intended use.
This garment should be thoroughly inspected before use to ensure no damage is present.

	50/127	66	75	44	28	24	89	30.5	41

Packaging, Storage & Obsolescence

DW-UTI-PN are packed in individual boxes and sold as 10 units.

If there is visible damage such tears it is recommended to replace the garment immediately.

Cleaning & Maintenance

The following suggestions will help keep your garment neat and safe.
Polycotton garments can be cleaned by home cleaning or commercial laundering provided all the recommended conditions and setting are adhered to.
If home procedures do not remove contaminants, then dry cleaning is recommended.

Our recommended cleaning for these garments are as follows:

- Pre-treat greasy stains and wash the garment in warm water with a light cleaning solvent.
- Do not use Hypochlorite bleach or detergents containing Hypochlorite bleach as fading may occur.
- Thoroughly rinse the garment to remove any wetting agents.
- Do not tumble dry.
- Do not hang in direct sunlight as fading may occur.
- Iron the garment to on low heat.
- When using commercial laundry aids, be sure to read and carefully follow the manufacturer's instructions.
