OUR HISTORY

Established in 1968, Simon Workwear has grown to become one of South Africa's leading workwear manufacturers and distributor.

THE VISION

- Empower the working class of South Africa with affordable and quality workwear.
- Creating employment in the work wear industry by collaborating with SME's.
- To understand the needs of the sectors and provide suitable workwear.
- To source, manufacture and develop new concepts and protection in the workwear industry.
- Building organizational bridges with external partners and strategic allies by appointing "relationship managers" with responsibility for making particular strategic partnerships generate the intended benefits.

WHAT WE DO

With more than 50 years experience in the industry, Simon Workwear has continuously provided quality workwear. ***We distribute premium brands to the following industries.***

HOSPITALITY

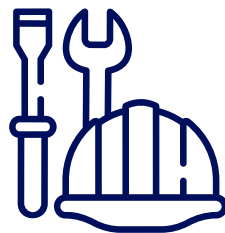

MEDICAL

CORPORATE

SECURITY

CONSTRUCTION

With Service We Grow

UNIQUE SERVICES

1

CUSTOM PACKING & DISTRIBUTION

When you place an order, we handle the logistics by packing per person. Each individual's order is carefully curated according to their specific shoe size and workwear sizing, ensuring every team member receives the correct kit. This service is designed to save your operations teams valuable time, allowing for seamless distribution.

2

PRECISION BRANDING

We offer comprehensive, high-quality branding services to ensure your team looks professional and consistent. Whether you require durable heat pressing, intricate embroidery, sublimation badges, or screen printing. Simply provide us with your logo, and we will ensure it is perfectly applied to your selected garments.

3

RELIABLE AVAILABILITY & RAPID TURNAROUND

Our facility houses an on-site warehouse that is constantly stocked with a wide range of essential workwear. By maintaining stock levels, we can bypass industry delays and guarantee quick delivery and turnaround times for orders.

STRATEGIC SUPPLIERS

We have invested in relationships with our suppliers to ensure that the customer gets the best service and the best products.

Aligning ourselves with other industry leaders we set the benchmark in product supply and distribution.
